

Where do you want your career to go? You'll be better prepared for the next step with Microsoft® Certification—and our specialized training will get you there faster.

The new generation of Microsoft Certifications provides a better fit

Microsoft Certification has proven effective for growing skills and gaining recognition. Now there is a new generation of certifications from Microsoft: more targeted, more cost-effective, and more focused on your primary job role and needs. These new certifications for Microsoft® SQL Server™ 2005, Microsoft Visual Studio™ 2005, and Microsoft BizTalk® Server 2006 help confirm your skills as an IT Professional or Professional Developer.

Microsoft Certified IT Professional (MCITP)

- **MCITP:** Database Administrator
- **MCITP:** Database Developer
- **MCITP:** Business Intelligence Developer

Microsoft Certified Professional Developer (MCPD)

- **MCPD:** Web Developer
- **MCPD:** Windows Developer
- **MCPD:** Enterprise Application Developer

Microsoft Certified Technology Specialist (MCTS)

- **MCTS:** .NET Framework 2.0 Windows® Applications
- **MCTS:** .NET Framework 2.0 Web Applications
- **MCTS:** .NET Framework 2.0 Distributed Applications
- **MCTS:** BizTalk Server 2006
- **MCTS:** SQL Server 2005
