

# Architecture Conversation Map

We offer collaborative mentoring & consulting. We have helped Fortune 100 clients stand up architecture practices.

 3<sup>rd</sup> party provided

What are your architecture education needs?

Just Getting Started?

Need to understand architecture, but don't need to do architecture

**EA Getting Started**  
(WA 2334)  
(Replaces WA1768)  
1 day

Need to understand architecture concepts & best practices

**Fundamentals of Architectural Thinking**  
(WA2343)  
2 days

Staff need to improve soft skills?

**Soft Skills for Architecture**  
(WA1917)  
2 days

Architects new to EA?

**EA Practitioner's Guide**  
(WA 2323)  
(Replaces WA1608 and 1537)  
2 days

Architects new to SA?

**SA Practitioner's Guide**  
(WA2326)  
2 days

Need to understand how EA & SA relate?

**Integrating EA & SA**  
(WA2332)  
2 days

Stakeholders need more background?

<b>EA Practitioner's Guide</b> (WA 2323) (Replaces WA1608 and 1537) 2 days	<b>SA Practitioner's Guide</b> (WA2326) 2 days
---	--

Need help applying architecture?

Architects want deeper practical knowledge?

<b>Enterprise Architecture</b>	<b>Solution Architecture</b>	<b>General Architecture</b>
<b>EA Practitioner's Guide (Extended)</b> (WA2322) 4 days	<b>SA Practitioner's Guide (Extended)</b> (WA2325) 4 days	<b>Architecture Foundation Workshop</b> (WA1961) 3 days

Need help with specific topics?

Need to establish a baseline?

**Architecture Baseline Workshop**  
(WA2340)  
2 days

Need help with Architecture Techniques?

**Architecture Techniques**  
(WA2332)  
1 day

Need to create a target architecture?

**Reference Architectures & Roadmaps**  
(WA2336)  
1 day

Know EA, but need to understand SA?

**Integrating Solution Architecture**  
(WA2337)  
1 day

Just Learned EA, & need to setup an EA program?

**Management Quick Start**  
(WA2333)  
1 day

Want to dig into software patterns?

**Enterprise Integration Patterns & Solutions for Architects**  
(WA2233)  
3 days

# Practitioner Courses

- Practitioner Courses have extensive practical and hands-on items:
  - Artifact examples and templates
  - Hands-on labs, developing architecture artifacts
  - Group discussions on applying to student's environment
  - Industry references to provide in-depth resources
- Two levels:
  - 2 day for managers and stakeholders involved in EA activities, but not responsible for developing architecture artifacts
  - 3-4 day for architects developing artifacts (SA 3 days, EA 4 days)
- Two types:
  - Enterprise Architecture (EA)
  - Solution Architecture (SA)

# WA2322 EA Practitioner's Guide (Extended)

- 44 examples of architecture artifacts & deliverables
- 8 template deliverables
- 23 industry references, providing a resource library
- 12 group discussions, applying concepts
- 15 hands-on labs

---

102 practical items, applying architecture

# Recommendations

New Course	Can be sold instead of	If customer wants to
WA2323 EA Practitioner's Guide	WA1537 Introduction to EA	<ul style="list-style-type: none"> <li>• Train managers &amp; stakeholders</li> <li>• Establish common vocabulary</li> <li>• Practical approach</li> <li>• Leverages TOGAF</li> </ul>
WA2322 EA Practitioner's Guide (Extended)	Replaces WA1513 EA Bootcamp which is being decommissioned	<ul style="list-style-type: none"> <li>• Establish common vocabulary</li> <li>• Practical approach</li> <li>• Application of EA</li> <li>• Leverages TOGAF</li> </ul>
WA2326 SA Practitioner's Guide	{No existing equivalent}	<ul style="list-style-type: none"> <li>• Train managers &amp; stakeholders</li> <li>• Understand SA activities</li> </ul>
WA2325 SA Practitioner's Guide (Extended)	WA1811 Introduction to Software & Solution Architecture	<ul style="list-style-type: none"> <li>• Understand SA activities</li> <li>• Learn SA techniques</li> <li>• Practice SA artifact creation</li> </ul>
